

A Host for 2012

New sports facilities

Sports Arena

A venue known as Arena 3 will host handball, fencing and paralympic goalball during the Games. In 2013 this multi-sports venue will be available for community and commercial use offering:

- Permanent and retractable seating for 6,000 spectators, plus up to a further 1,500 seats on the field of play for specific events
- A venue that can be used for all levels of sports participation, from high performance training to community use

Sport uses will include basketball, handball, football, volleyball, badminton, netball and more. The venue will also host cultural, entertainment and business events
