

A Host for 2012

Just over one year to go to the 2012 Olympic and Paralympic Games

Dear resident

Are you interested in Test Events, the Torch Relay, the Paralympics, jobs, volunteering, transport and the future of the Olympic Park?

Join us at the Hackney 2012 Community Meeting on Monday, 20 June, 2011 from 5.30pm to 8.30pm (presentations start at 6.00pm) at the Wally Foster Community Centre, Homerton Rd, London E9 5QB.

You will have the chance to meet and hear from organisations the Council is working with to deliver the best opportunities for Hackney now and in the future.

Exhibitors and speakers include the Olympic Delivery Authority, responsible for building the Olympic Park and the venues within it; the London Organising Committee of the Olympic Games, whose role it is to run the Games themselves; and The Olympic Park Legacy Company, which manages the venues and what will become the Queen Elizabeth Olympic Park; as well as Hackney Council's 2012 unit. There will be a special focus on how transport will be managed.

This special invitation is going out to residents of Kings Park, Kingsmead and Hackney Wick because the Games and the Olympic Park are so close to you, and the Council is especially interested in hearing your views.
