

CONTROLLED PARKING ZONE F (HOXTON) REVIEW

Dear Sir/Madam,

Please find enclosed the following information relating to the review of Controlled Parking Zone F (Hoxton):

- A summary pack explaining the results of the consultation.
- A schedule of works showing when the parking bays will be suspended in order to allow the Council's contractors to refresh the paintwork on the road.

Lining work information

We will begin lining works from 25th October 2010.

To allow the works to take place it will be necessary to suspend some of the parking bays in the CPZ. Suspension signs will be placed in each parking bay before the suspension comes into force.

Please ensure you check the dates on the signs before parking, as parking in a suspended bay may result in a Penalty Charge Notice being issued to the vehicle owner or the vehicle being removed.

Please note only vehicles permitted by Parking Services may use the bay until the parking suspension has been lifted.

If you are aware of any residents who will not be able to relocate their vehicle due to absence, please inform us so we can make arrangements on their behalf.

We apologise for any inconvenience caused during this time.

For more information on parking suspensions please contact us on 020 8356 8290 or by email on: ParkingSuspensions@Hackney.gov.uk

Yours faithfully,

Seamus Adams
