

# Stonebridge Gardens

## GREEN AVENUE

### Haggerston Rd to Arbutus St

A new access point in front of All Saints Church that will greatly improve public routes to and from the new station and into the heart of the park.

**Features of the route include the following:**

- 1) Ambient way marker lighting
- 2) Contrasting feature trees
- 3) Community art work
- 4) Table tennis tables
- 5) Low-level planting
- 6) Feature lighting columns (see viewpoint drawing for concept proposal) and meandering wall using reclaimed items from the old station
- 7) Pocket garden and memorial spaces
- 8) Sections of meandering feature wall for defining spaces and providing informal seating
