

Review of Controlled Parking Zone B (Shoreditch)

Have your say on the design of
parking controls in your area

Summary Leaflet

Why have I received this summary leaflet?

Between June and July 2011, Parking Services consulted local people in Controlled Parking Zone B (Shoreditch) to see whether the parking controls in the area were meeting your needs.

We are pleased to announce that the consultation feedback has been reviewed and the final design changes have been approved by the Council. We will soon be starting sign and lining works in the area to implement these changes.

This booklet provides a summary of the consultation results and final changes that will be made to your CPZ. It also provides dates when works are likely to begin.

To view the full consultation results and a complete list of design changes please download a copy of the delegated report from our website: www.hackney.gov.uk/parking-hys, email: consultparking@hackney.gov.uk or call **020 8356 8877**.

We would like to thank those people who returned their questionnaire and provided feedback during the consultation.

CPZ Design Changes

During the public consultation we sought your views on:

- The hours parking controls apply in your Zone
- The design of the CPZ including the location and type of parking bays
- The proposed introduction of a motorcycle parking permit for local residents and business owners

CPZ operational hours

During the consultation we asked for your preferred days and hours of enforcement.

As a result of the level of feedback, the operational hours for Zone B (north) will remain: **Monday to Saturday 8:30am – midnight**.

As a result of majority support for the existing hours, the Zone B (south) hours will also remain: **Monday to Friday 8:30am – 6:30pm and Saturday 8:30am to 1.30pm**.

New parking spaces

We are introducing over one hundred new parking spaces throughout Zone B for local permit holders and visitors. For example, new bays will be installed on Hoxton Square (back of 333 Old Street) and nearby Coronet Street. The new parking spaces will be installed in areas where the road is sufficiently wide to allow passing traffic.

Motorcycle parking

To help prioritise parking for local residents, motorcycles will be restricted from parking in all 'permit parking' bays in Zone B (north) and B (south). Motorcycles will only be entitled to park in dedicated 'motorcycle only' bays.

We will put up posters on all permit bays in the area explaining the date when enforcement of this new policy will begin. If motorcycle users park in a permit bay after this date they will be liable to receiving a penalty charge notice (PCN).

Additional motorcycle only bays

To help support the motorcycle users in the area, we will be installing several new motorcycle only bays in Zone B. While it is not possible to introduce motorcycle bays in every road, we have made every attempt to balance the competing needs of all users in the area.

Please see the list below showing new motorcycle bays in the area. We will also be converting some of the existing parking bays to motorcycle bays. The enclosed map shows the location of all motorcycle only bays in Zone B.

Street	Change in parking bay allocation
Drysdale Street	A 5m motorcycle bay will be installed opposite No 3-7
Redchurch Street	A motorcycle bay will be installed outside No 10
Scrutton Street	The P&D only bay outside No 58-62 will change to a motorcycle bay
Willow Street	A motorcycle bay will be installed outside No 3
Worship Street	A motorcycle bay will be installed opposite No 107 (at the junction with Curtain Road)

Key dates

October/November 2011

We expect to begin sign and lining works in the area.

Please note that it may be necessary to suspend the parking bays in the area to allow lining works to take place. Please check for any yellow suspension signs before parking to avoid receiving a Penalty Charge Notice (PCN).

If you suspect your vehicle has been removed or relocated please call Trace on **0207 747 47 47**.

5 December 2011

From this date motorcycle users will no longer be permitted to park in all permit parking bays.

Signs will be erected on all permit bays explaining the new policy and when enforcement of this policy will begin.

For more information about when the works are planned to take place please contact:
