

Do you want to help
shape the future of
Hackney?

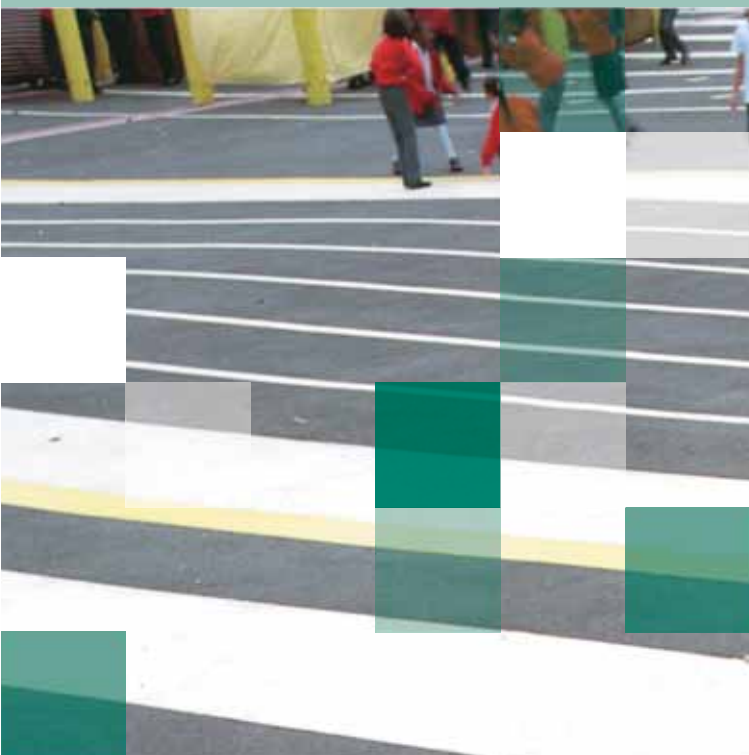

LDF

Local Development Framework

We need you to help us make Hackney a vibrant and prosperous borough for everyone – a place for living, working, studying and enjoyment.

Over the next three years Hackney Council will develop planning documents that will guide future planning decisions for new buildings and the use of buildings as well as extensions or demolition. The documents will make-up the Local Development Framework (LDF) and will replace the current Unitary Development Plan (UDP). They will encourage good design and sustainable development.

Planning Service

In 2005 we are setting out on a major programme to produce the new planning framework. **If you want to take part in our ongoing consultation** and receive our regular e-newsletter, please reply with your name, phone number, postal and/or email address to ldf@hackney.gov.uk or fill in this freepost reply card. Alternatively you can phone the Planning Policy Team on 020 8356 8046
