CASSLAND ROAD E9

(North Side)

Forecourt Wall and Railings
to South Hackney Upper School

TQ 55R4 26/98
II

2.
Circa 1900 red brick wall with high plinth. Square piers , with pedimented stone tops, at intervals. Between the piers the walls are lowered in deep scallops with stone coping and the spaces filled with wrought iron railings. Before centre -piece of building simple wrought iron railings on stone plinth, Walls continue along east and west boundaries .
