2.  
Mid C19 almshouse group in picturesque style with Gothic touches. 2 storeys, 9 windows in all. Stoc+ brick with stone cornice and stone-coped parapet. Stone quoins on 1st floor above which are octagonal, stone-dressed chimney turrets. Centre bay projects slightly under shaped, stone-coped gable and has quoins and kneelers. 1st floor centre canted oriel with battlemented parapet and fancy glazing. Plaque above with illegible inscription. One-bar casements, single or paired, in alternatin block chamfered stone surrounds. In 2nd and 8th bay double doors of 2 long panels under square hoodmoulds and similar central door has 4-centred head.

Nos 1 to 6 (consec) and Monger House and East Wall form a group .
