

LOWER CLAPTON ROAD E5

1.
5013

(South East Side)

Stable Building to north
of No 162

TQ 3485 19/342

II

GV

2.
Early C19 3-bay, 1-storey building, end on to road. Stock brick with low pitched hipped slate roof. Arcaded south side with stuccoed impost band and stone cills. Wide, round-arched western window: the others sash windows with glazing bars under flat gauged brick arches.

Nos 158 to 162 (even) form a group with the stable and wall to No 162, and Bishop Wood's Almshouses.
