2.
Mid C19. Formerly the Vicarage of St Peter's Church. Symmetrical building of 2 storeys, attic and basement in gothic style. High pitched Welsh slate roof has end chimneys and centre gable with window. Stock brick with stone dressings and parapet. Parapet cornice becomes hoodmould over attic window. Other windows sashes with glazing bars paired in stone surrounds under hoodmoulds. Projecting central porch, with angle buttresses, cornice and parapet, has door with 4-centred head in many-chamfered reveal with 4-centred stone arch.
