2.
Facade of mid C19-appearance. 1-storey building with end to road having central door and flanking windows. Stucco with angle pilasters, entablature and wide pediment. Central bay projects slightly. Pilasters and entablature to modern double door with blocked fanlight. Panel above, in scrolled moulded architrave, with inscription: "Erected A.D.1708, enlarged A.D.1860." Round arched windows with margin, lights in moulded architraves with tall key blocks. Mid C19 Sunday School extension behind.

Nos 35 to 39 (consec) together with Nos 35A and 36A form a group with the forecourt wall to the Unitarian Chapel.
