2.
Late C19 board school. Large building of stock brick with dressings of red brick and terra-cotta and high pitched tiled roofs, some hipped, some gabled. 4 sections:
- a. at extreme left a projecting blank gabled wing, with chimney breast, has left return with one stepped and 2 pedimented gables; and terracotta rusticated window architraves.
 - b. a plain 5-storey, 3-window section only relieved by moulded strings.
 - c. a narrow, 2-window red brick staircase bay of 6 storeys and attic, having shaped gable ornamented with terracotta lesenes and angle turrets and medallion: "L.S.B."
 - d. main right building of 3 storeys, 5 windows. Bays divided by thick brick pilasters rising through cornice to fit into raised sections of battlemented parapet. Roof crowned by ogee cupola with spirelet.
