2.
Church, built for the Lutherans 1875-6. Designed by E Habershon and E P L Brock. Yellow brick, stone dressings and steeply pitched tiled roof to eaves. Cruciform plan; aisleless; tower with broach spire. Geometrical Gothic revival manner. West door set in pointed arch with gable over; western (lit.) rose window, with cusped oculi and openwork arcading to gable above in stone flanked by stone pinnacles. Pointed arched windows to north and south (lit.) of 2 lights with bar tracery. Tower with paired pointed arched openings to bell stage with oculis and gable over pinnacles to broaches. Interior not seen.
