

SHOREDITCH HIGH STREET E1

1.  
5013

(East Side)

-----  
Walls, gates & railings to  
St Leonard's Churchyard

TQ 3382 35/562

II

GV

2.  
C19 front railings of stout cast iron and 2 gates with wrought iron overthrows. To north a length of C19 brick wall (with modern railings) links up with original churchyard brick wall, mostly with stone coping. Stone pier at junction. Stone coped brick piers at intervals all along wall.

The Church of St Leonard with No 118½ the railings to north of No 118½ and the churchyard gates and railings form a group.
