2.  
Main front of Grove House faces south to Stamford Grove West. Early C19 house of 2 storeys and basement 3 windows. Stock brick with stone-coped parapet. Mansard roof of large slates with central round arched dormer. Gauged flat brick arches to sash windows in stucco-lined reveals, those on west return with glazing bars and ornamental iron guards. On ground floor centre former entrance bricked up and small modern window inserted. Only entrance now on west return. On east return a full height rounded bow. Grove Cottage is a 3-storey, 1-window north wing plus a lean-to of 1 storey and attic.
