

Do you receive Housing Benefit and/or Council Tax Benefit?

Your Tax Credits could be changing

The tax credit office is currently reviewing the amount of tax credit you receive. Once you receive a letter from them, please contact our Benefits Service, as it may affect your Housing Benefit or Council Tax Benefit.

To find out more, call our Benefits call centre on 020 8356 3399 or email benefits@hackney.gov.uk

Don't Delay - tell us today

If your circumstances change, please remember to tell the Benefits Service immediately. In some cases you may be eligible for an **increase** in the amount of benefit you receive. If you don't tell us when your circumstances change, or if you delay telling us, you could receive too much benefit and have to pay this money back!

To tell us about a change to your circumstances contact the Benefits call centre on:
