

Adapted Housing Transfer Scheme

Has your home been adapted or is it wheelchair accessible?

Do you still need it?

If you don't need your adapted or wheelchair accessible home any more, then we would like to hear from you.

At any time up to 300 families are waiting to move into a more accessible home.

They wait on average two years or even longer if they need a larger property.

We need accessible/wheelchair standard homes for people with mobility problems or ill health. Are you prepared to move so we can give them priority?

Why move?

Perhaps the person with a disability no longer lives with you.

Perhaps you had to wait a long time for a suitable property to become available so you know how difficult it can be to manage.

By releasing an adapted home, you will be helping us to house someone who is finding it hard to cope in their current home.

To make it easier for you to move, we can:

- Offer you a choice of alternative properties
- Help with the cost of moving
- Decorate your new home

You could be given high priority for a move if:

- You are a council tenant living in an adapted property that we can reuse and you are willing to move out of it
- You are a housing association tenant and your landlord agrees to you participating in this scheme by releasing your home to be let to a person with disabilities

Payments under the scheme

We will pay a flat rate of £500 to help with your removal costs. We can pay more if the Council is invoiced by the removals firm directly. If you are moving to a home with fewer bedrooms you may qualify for payments under our Underoccupation Scheme.

Decorating the property

If we offer you a property under the scheme that needs decorating, we will decorate it before you move in.
