# Clissold Park and House Restoration Project

Thank you to everyone who has come along to the drop in sessions held in the park through late July and early August. This has been an excellent opportunity to discuss with park users the plans for the house and park.

Posters displaying the plans for the park and house are now on display on the fence opposite Clissold House, outside the playground and on the notice board opposite the recycling area.

All the information can also be viewed online by visiting: [www.hackney.gov.uk/clissold-restoration-project](http://www.hackney.gov.uk/clissold-restoration-project)

If you would like an opportunity to discuss the plans with the Project Manager, another drop in session will be held in front of the café on **Saturday 19th September** between **10am and 2pm**.
