5013

ALBION SQUARE E8  
(North Side)

-----  
Nos 13 to 16  
(consec)

TQ 3384 24/36                      21.8.74.  
II                                      GV

2.  
2 mid C19 pairs, each house 2 storeys and basement, 2 windows, Nos  
3 and 4 yellow stocks, No 15 and 16 grey. Outer bays of Nos 13 and  
14 project slightly, the others are set back. Recesses on axes.  
Stucco frieze, cornice and blocking course (missing from No 15).  
Round arched 1st floor windows, paired in centre bay, in stucco  
surrounds with console bracketed cornices. Similar surrounds, with  
central pediment, to tripartite ground floor windows. Some sashes  
with glazing bars or margin lights, some casements. Quasi-classical  
prostyle porches. Included for group value.

Nos 13 to 22 (consec) form a group.
