2.
1-storey 5-bay building of stock brick with red brick dressings and stone gable copings. Similar style to Daubeny Junior School. High pitched tiled roof with 3 tall dormers breaking eaves, on south front. North front has 5 gabled bays and round-headed windows closely set between. Sash windows with bars and pivoted lights above transoms. Included for group value with Daubeny Junior School.

Daubeny Junior and Infant's Schools form a group with the forecourt railings to the Junior School.
