Linking walls between blocks. Each house 2 storeys, attic and basement, 1 window in main bay and one in narrow set back entrance bay. Stock brick with stucco dressings.

Hipped, tiled roofs with grouped diagonal brick chimneys. Shaped gable ends with stuccoed copings and brick kneelers. Stucco window surrounds some with hoodmoulds. Ground floor and 1st floor centre projecting square or canted bays. All windows sashes with fancy lozenge glazing. 6-panel doors, with patterned rectangular fanlights, set back under plain hoods.

Nos 1 to 10 (consec), Nos 13 to 30 (consec) and the railings around the Square form a group with No 89 Mortimer Road.
