GV

2.

All that remains of a long, shallow, crescent-shaped early C19 terrace on a grand scale. Each house 3 storeys, attic and basement, 3 windows. Stock brick with stone-coped parapet. Slated mansard roof with dormers. Gauged flat window arches on 1st and 2nd floors. Gauged round brick arches to ground floor windows and to doors. Dormers mostly altered. Sash windows mostly altered and many modern casements. Doors mostly modern. Scale and position make it worthy of restoration.

Nos 318 to 346 (even) form a group.
