II

Pair of houses. Built in early 1770s. Each 3 storeys, 2 windows in main block with set back 1-bay original north wing having 2nd floor lunette. Early C19 set back south wing with modern upper part. All stock brick. Main block has stucco dentil cornice and blocking course. Fairly low pitched slated roof with central stack. Stuccoed lintels to sash windows, one or 2 with glazing bars. Late C20 shops on forecourts.
