

Foster Carers' Charter

The fostering service's role

The fostering service aims to provide stable and first rate foster care for children who are valued, supported and encouraged to grow and develop as individuals. To achieve this aim, we recruit, train and approve foster carers and deliver ongoing support to them.

The foster carer's role

Foster carers are at the heart of the foster care service. We are assessed, trained and supported to look after children and young people in a family environment, providing them with stability, care and an opportunity to grow and develop and to reach their potential.

Our working relationships are based on mutual trust and respect. This charter explains what we expect from each other.

- include you in all meetings that affect you and the children you care for

- the service will support and promote HFCC’s voice at Corporate Parenting Board level.

2 Information

We know that information is vital in order for foster carers to provide care that meets the child’s need.

We will:

- provide a placement information record, placement plan and a profile of the child within 5 days of arriving at the foster carers’ home. Except in emergencies this should be provided prior to placement

- provide you with information on all financial matters including tax, allowances and additional entitlements and transparency in access to financial entitlements
- provide you with full details of all relevant departmental policies and procedures and updates
- to actively signpost foster carers to other organisations

and resources that can provide relevant advice.

3 Clarity about decisions

We recognise that in order for children to live a full family life foster carers must be able to make decisions regarding the children they foster.

We will:

- ensure that, wherever possible, you are able to make everyday decisions that mean that your fostered child is not treated differently to their peers and can feel part of your family
- provide clarity about any decision you cannot take at the outset so that everyone understands who is responsible for what
- provide further clarity on the issue of delegated authority.

4 Support

We recognise that fostering is an isolating and challenging task and appropriate and timely support makes all the difference to the fostering family and to the child in your care.

We will:

- deliver the Hackney Social Work Unit model of support to all in-house and friends/family carers
- respond positively to requests for additional support
- provide you with monthly supervision and other contact as needed within the placement
- give you honest and open feedback
- provide you with access to 24-hour support from people with fostering expertise
- pay you allowances, expenses and fees in a timely manner
- pay fees that reflect the task, skills and experience and have a well-publicised and clear fee structure that is comparable with other inner-London boroughs
- have a commitment to financially support HFCC based on the agreed work plan
- ensure that the HFCC is continually recognised by the London Borough of Hackney as the forum where foster carers and their families can find

support and share experiences with other fostering families.

- provide business planning and support to the HFCC as agreed jointly.
