

# Refuse Collection Schedules

for Street Level Properties

## Recycle first, rubbish second

A large proportion of household waste can be recycled. Before throwing waste directly into the rubbish bin, check if it can be recycled first. This will help reduce the amount of rubbish in your bin, and help the environment as well.

Street level properties with a green box collection can recycle paper, cardboard, glass, tins and cans, engine oil, household batteries, Yellow pages directories, clothing, shoes, textiles, car batteries, foil and aerosols.

Green, clear and brown glass, paper, tins and cans, plastic bottles and textiles can be recycled at recycling banks across the borough.

To find out more about recycling, phone 020 8356 6688 or visit

[www.hackney.gov.uk/recycling](http://www.hackney.gov.uk/recycling).

Below are some of the most common questions residents have about refuse collection in Hackney

## How often is household refuse collected from street level properties?

Household refuse is collected weekly from street level properties throughout Hackney.

## How often is the refuse in the town centres collected?

Town centres and main roads have their refuse cleared daily, which keeps high usage areas clean. During the course of the day, properties on town centre routes are asked not to put their rubbish out in business hours between 9:00am and 6:00pm, as collection takes place early in the morning or late in the evening. Flats above shops are also asked to follow these guidelines for collection times.

## Town centres include:

- Lower Mare Street (Richmond Road - LBH boundary)
- Old Street (all), Curtain Road (Old Street - Great Eastern Road), Kingsland Road (Old Street - Cremer Street)
- Great Eastern Street, Commercial Road (Shoreditch High Street - LBH boundary) Shoreditch High Street (LBH boundary - Old Street)
- Kingsland Road (Middleton Road to Dalston Lane), Balls Pond Road (Kingsland Road - LBH boundary)
- Mare Street (Lower Clapton Road - Richmond Road) Graham Road (Greenwood Road - Mare Street) Bohemia Place (all)
- Chatsworth Road (all)
- Stamford Hill (Colberg Place - LBH boundary) Amhurst Park (East Bank - Stamford Hill) Clapton Common (Stamford Hill - Castlewood Road)
- Stoke Newington High Street (Brooke Road - Colberg Place)
- Stoke Newington Road (Shacklewell Lane - Brooke Road)
- Kingsland High Street (Kingsland Road - Shacklewell Lane) Dalston Lane (Kingsland High Street - Beechwood Road)
- Blackstock Road (Mountgrove Road - Seven Sisters), Seven Sisters (Blackstock Road - Queens Drive)

## Is there a refuse service for the markets throughout Hackney?

The markets currently have a daily collection and clearance service of their waste. Hackney Council is working with market representatives to improve ways of containing waste generated from the markets, and looking to implement a range of recycling options as part of this service.

## What are the refuse collection arrangements for bank holidays?

There is no refuse service provided on bank holidays, and collections scheduled for Monday are carried out on Tuesday. This is repeated across the course of the week through until Saturday when Friday's collection occurs. Due to there being additional holiday days over the Christmas period, this means that arrangements change each year. Full details of collections provided for all bank holidays are listed, in advance, in Hackney Today.

## How is commercial waste refuse collected?

The commercial waste refuse collection service operates seven days a week. This service can be tailored to meet the needs of individual business. There is also a mixed glass recycling service in which businesses can choose to participate. To find out more about commercial waste services in Hackney, phone 020 8533 7583.

## Refuse Collection - Helpful Hints!

- Make sure your refuse sack is tied and secure to prevent litter escaping and blowing into the street. Make sure the quality of the sack is strong,

- and won't tear when filled with rubbish. Ideally, your waste should be in a black sack inside a rubbish bin
- Refuse collections are from the point of storage. There is no need to put your waste out on the street for collection. Properties on town centre routes (as listed above), should put waste out on the street before 9:00am and after 6:00pm.
- Don't throw bulky items on the street! The bulky waste service will collect items for free. Phone 020 8356 6688 to arrange a collection.
- Make sure the refuse trucks can get through to collect your waste. Don't block entrances to roads with your car.
- Recycle as much as possible! Visit [www.hackney.gov.uk/recycling](http://www.hackney.gov.uk/recycling) for more information.
